# JP Series

**User-friendly touchscreen navigation**

**Wide-angle door camera**  
allows greater viewing of a visitor

**Expandable-station capacity up to**  
4 doors and 8 inside stations

**Integrate-analog CCTV cameras or other**  
security type devices for full functionality

Providing a slim, low-profile design, the JP Series offers elegant styling and easy to use functionality.

## Large 7" screen with superior image quality

Using the touchscreen, zoom in on visitor faces and other specific areas. Users may also use the PanTilt function to view ID badges or labels and focus on a particular area more in detail.

LCD captures a wide view of the entrance area.

170° horizontal angle and 100° vertical angle camera minimizes blind spots, ensuring a clear view of the door station area.

Record outside disturbances by pushing the manual record button.

High-durability lenses prevents glare from reflections of scattered light on the lens cover, and also reduces lens clouding.

The JP Series' have vandal resistant door stations have an impact-resistance rating of IK08.

**Vandal resistant video door stations:**  
JP-DV, JP-DVF, JP-DVF-L
